

Product Tutorial

How to create click to call buttons?

Log in to your KloudTalk Account: https://www.kloudtalk.com/registration/login

Click on 'Settings'

	JDT	٨LK			
Billings Numb	ers ~	Buttons ~	Working Time >	✓ Users ∽	Groups ~
Account Inform	View				
🖸 Wallet	Add	Button fr			
🛞 My Plan					
Minutes Packa	ages				
🗠 Check GSM Ra	tes				

Click on Buttons > Add Button

Billings	Numbers ~	Buttons ~	Working Time ~	Users ~	Groups ~	Blackli	st ~	
Select T	Theme Color							
	• • •							
	-							
0-1+ 0	hana							
Select S	ыаре							
	Call us	Click	to call	Click to call	Call	me		
Button	Call us	Click	to call	Click to call	Call	me		

You can choose your button name, color and shape.

Click on **'Next'** Add the users to whom you want to transfer the calls.

Groups & Users	
BD Kloudtalk Admin (admin@revesoft.com) ×	Selected Users
Nafiul Alam Nion (nafiul@revesoft.com) ×	
After Working Hour Call Forward Action	
Ifter Working Hour Call Forward Action Forward Calls	BD Kloudtalk Nafiul Alam
-	BD Kloudtalk Naful Alam Admin Nion

Click on 'Save'

Your Click to Call Button will be configured.

You can add the java script on your Website, Email Signature and Marketing Communication Materials.

END OF KLOUDTALK SCRIPT->	Copy Code
- START OF KLOUDTALK SCRIPT- <a href="#" style<br="">onclick="window.open('https://dashboard.kloudtalk.c /index.html?button_id=1622&accountID=123885& url='+window.location.href,'Call','width=400, height=4 false;"><img src="https://dashboard.kloudtalk.com/kd</p"/>	com/kloudtalk/client 50, top=134, left=483');return

To view your Click to Call Buttons, follow these steps: Buttons> View

Your all Click to Call buttons will be displayed in the above shown format.
